*What animals
think about*

2

A photo story

2 0 1 7

Theme of animals' thoughts proved to be so great and interesting, that we decided to continue. Well, what do our brother animals think about in various places and situations?

*“Oh, Dear!
Disenchant
me back now!”*

*“Have a good look at me.
Never should you go to
any beauty salon and...*

...cosmetologists.”

*“Well, right, I am flying
slightly slowly, but my landings
come softly always!”*

“So, where’s a disco here?”

Two vibrant blue and yellow macaws are perched on wooden sticks in a lush, green forest. The macaw on the left is facing left, while the one on the right is facing right. Both have bright blue heads and wings, and bright yellow chests and bodies. Their beaks are dark and hooked. The background is filled with dense green foliage and thin tree trunks.

*“ – Aah, I’ve got
my beak bent.
– Well, and I’ve
lost a feather...”*

“I’ll never get off here!”

*“Yes, I might peep sometimes,
but I will never overhear!”*

“As I live, so I eat...”

*...although, there're some
bright moments too."*

“Oh! I’m sorry, but it’s a forgery...”

*“How many girlfriends have
you got, you say? One? Huh!
I’ve got nine!”*

*“Dear penguins, the agitation meeting
is over. Now, please, proceed
to the ballot boxes and give your vote
for the President of Antarctica!”*

“I am flying beautifully, am I?”

*“Well, I’m sorry.
I was a donkey yesterday...”*

“Oh! You’d better not stay below me, lassie.”

*“Thanks mate! You are the first,
who hasn’t shuddered from me.”*

*“You there, with the camera!
You’d better go off, just in case...”*

*“Walk in step, guys.
Keep beaks up!”*

*“Well, friends,
there’re more newcomers,
than ours at the beach here.”*

*“Who”re you feeding?
That ain’t his turn! O, golly!
The blonde can’t count four...”*

*“Don’t be scared, fellow!
I’ll tell you a kind fairy tale.”*

*“Excuse me, my shell’s
far from a sensitive body part.
Will you pet my fin, eh?”*

*“It’s you, who is ugly!
For me, I’m charismatic.”*

*“I won’t go down, unless
your mother leaves!”*

*“So many clever books
and not a word about
how I can get into the fridge.”*

*“Eat it, human, don’t be embarrassed!
I’ve got a lot of this.”*

*“If only I could have
a peek at kangaroos...”*

*Here the
story ends.
